Cheese

Brique d'affinois

Made by the famous Fromagerie Guilloteau, this soft-white cheese ripens in a warm, humid cellar for two to three weeks. Full flavoured cream cheese. Rich, creamy clotted flavour.

Manchego

Manchego is Spain's most renowned cheese. Produced in la mancha in central Spain, true Manchego is made from 100% sheep's milk. The abundance of wild herbs on central Spain's grazing lands gives Manchego a special taste and aroma. Its flavour is zesty and exuberant, while its texture is firm but not dry.

Gorgonzola dolce, Truffle honey

This is a blue-veined Italian soft cheese. The cheese is made from cow's milk and has a sweet taste. Its name translates from Italian to 'sweet milk' in English. It takes about two to three months to produce and age this cheese.

One cheese	16
Two cheese	21
Three cheese	26

All cheese is served with dried figs, candied walnuts, quince paste, apple & water crackers
